Letter No HLC 3823/40-41 Dated 2-9-41 from the D C Hassan Dt, requesting sanction to an Estimate for Rs 2850/- for breaching Doddakere between the old town of the Extension at Lakkasipura

In accordance with the G O dated 13-5-41, the sanctioning among others, a sum of Rs 2000/- only out of the special grant of two lakhs of rupees announced by H H for ~~Bathroad Improvement~~ the above work, the Dy Comm'r solicits sanction to an Estimate amounting to Rs 2,850/- for breaching Doddakere between the old town of the Extension at Lakkasipura

The Extra Cost of Rs 850/- over & above the Grant of Rs 2000/- is proposed to be met by Govt Grant during T D grants for the yr 41-42

A draft G O sanctioning is however put up for consideration or other orders

Plan 6/9/41 The Executive Engineers report shows that the tank (Doddakere) is a minor tank, having an atchakat of 67 acres with an assessment of Rs 213. It is necessary to accord sanction to breach the bund of the tank in the first instance in the Revenue Department, as it is likely that the atchkatdars may claim compensation for their wet lands on the ground that it is shown in the Tank register of the Revenue

11) As a step towards the improvement of health in the selected towns, out of the sum of Rs 2 lakhs sanctioned in G.O. of 13-5-1941, the question of breaching the Boddakere between the old town and the extension in Sakleshpur was taken up by the Rev Dept in consultation with the P.W.D and an estimate for Rs 2800/ was also got prepared against the grant of Rs 2000/- for the purpose. The D.C was asked to further examine the matter with reference to the compensation, if any that may be claimed, for the conversion of the wet lands under dry on this account by it is now reported that the compensation payable on an extent of 8 acres 9 guntas to be converted under dry comes to Rs 2876-12-0 and that the municipal council which was also consulted in the matter has decided to drop the question

12) The D.C accordingly suggests that the breaching of the tank may in the circumstances, be kept in abeyance for the present

Sir,

Re. Breaching of Boddakere tank in Saklespur Town.

In continuation of my letter of even number dated the 27th April 1943 on the above subject, I have the honor to state that the Executive Engineer, Hassan who was requested to furnish a list of survey numbers which would be converted into dry consequent on the lowering of the sluice and also an estimate for lowering the sluice, has sent an estimate for the same amounting to Rs.1000/-. Further the Mahajar drawn up before the Revenue Inspector, Saklespur discloses that the compensation for the area of 8 acres and 9 guntas which will be converted into dry will be about Rs.350/- per acre which works out on the whole to Rs.2878-12-0.

The Municipal Council having considered the proposal and the cost involved, have resolved to drop the question as per resolution No.21 dated 29-5-43.

In the circumstances, I request that early orders of Government may be obtained to keep the matter in abeyance till more propitious times.

I have the honor to be,
sir,
Your most obedient servant,

Deputy Commissioner,
